

PTS and/or NRP Request Process

Is your child trying out for AAA or AA/A in Cambridge or at another center this year?

Hit the HCR portal to request a Permission to Skate (PTS) or NRP (Non Resident Passport) form. Follow the process and fill out the required fields.

[MHA Registration Page \(hockeycanada.ca\)](https://hockeycanada.ca)

This **no-cost** form does 2 things:

1. Bring it to tryouts to prove eligibility
2. It holds a spot with Ayr Minor Hockey in case of return to our organization with **NO, late fee.**

The screenshot shows the Ayr Minor Hockey website. The header features the Ayr Minor Hockey logo and the text 'AYR ONTARIO HOCKEY FEDERATION'. Below the header, there is a navigation menu with 'Overview', 'Home', and 'Contact'. The main content area is titled 'Registration' and contains two registration options for the 2022-2023 season. The first option is '2022-2023 Ayr Minor Hockey Registration' and the second is '2022-2023 AAA Permission To Skate & A/AA Non-Resident Passport -'. A red arrow points to the second option. The left sidebar also includes a 'Registration' section with 'Participant' and 'Clinics' links.

** Please note that some tryouts were held in the spring; only eligible age groups are listed*
